

Embedding video in your course

From Build Content Menu go to Kaltura Media (Mashup)

From My Media you can Upload a new video or link to a previously submitted media (step 3)

Follow on screen instructions:

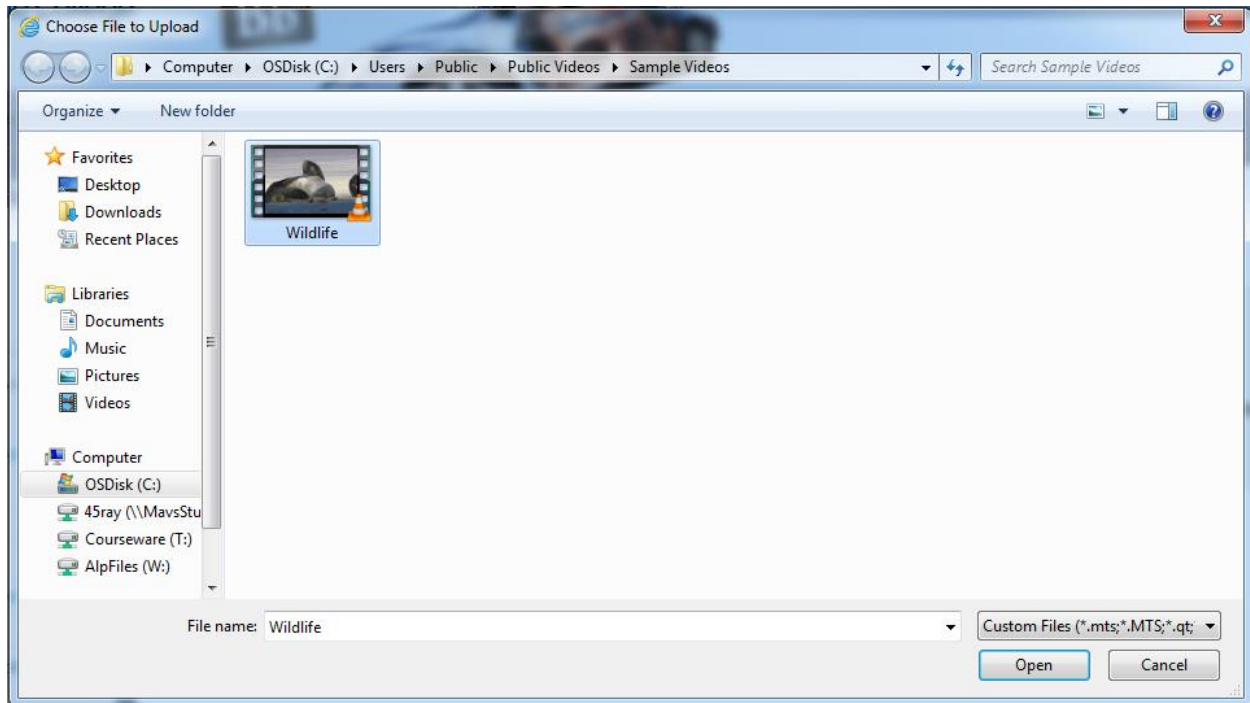

Upload Media

+ Choose a file to upload

All common video, audio and image formats in all resolutions are accepted. For best results with video, we recommend preparing videos in 1280x720 pixels and using the H.264 video codec at about 4000 kb/s.
